WHEELER DEMISE IS CAUSE OF DISAGREEMENT BY PHYSICIANS

(By Associated Press)
RENO, Jan. 13.—On whether Don C. Wheeler, wealthy cattle raiser, was frozen to death or died of apoplexy depends the payment of a \$100,000 accident insurance policy. Wheeler was found Monday sitting in an automobile 40 miles from Gerlach, on the Black Rock desert, his body frozen stiff. Winnemucca physicians said he died from apoplexy superinduced by efforts to get his automobile out of the mire in which it was stalled. An autopsy was performed by three Reno physicians today, whose findings are that Wheeler died from freezing. The temperature Sunday on the desert was 12 below.

FRENCH HOLD ON ORIENT IS SATISFYING

(By Associated Press)
JERUSALEM, Jan. 13.—France has achieved a great increase of her prestige throughout the Near East by her treaty with the Turkish Nationalists by her surrender to them of the whole province of Cilicia and by giving assurances of the moral support of the French in the final settlement of the near eastern question.

Mohammedans of Syria, Egypt and Palestine are beginning to look upon France as having assumed the role of champion of Islam in succession to Great Britain and the later efforts of Emperor William to become the "Defender of the Crescent."

Only yesterday the Mohammedans of Syria, Egypt and Palestine were all united in their condemnation of the French mandate and also in Syria. Today they are singing loudly the praises of everything French.

TRAVELERS IN FEAR VISITING THIS DISTRICT

J. Grant Crumley arrived home this morning from Reno, where he was in attendance upon the meeting of the Reno Chamber of Commerce, wherein freight rates affecting Tonopah and southern Nevada were discussed. "I thought I had better come home while there was a chance," said Mr. Crumley, "as reports sent to Reno and Carson have been to the effect that passengers might not be allowed to alight from incoming passenger trains upon reaching this town. The impression prevails that Tonopah is in the hands of a lawless element, and I agree with The Bonanza that the time is ripe to make a general housecleaning and restore law and order throughout this community."

WOULD SEND IRISH REBEL TO AMERICA

LONDON, Jan. 13.—The Dublin correspondent of the Morning Post telegraphs: "Shipment to America of Daniel Breen, who appears to have been hanging around Dan Eireann, with a band of thugs, threatening to shoot up the entire assembly if it ratified the treaty, suggests that Michael Collins and Richard Mulcahy are alive to the necessities of the case."

There had been no previous intimation that Daniel Breen was to be deported from Ireland. A London dispatch of October, 1920, identified Breen as the commandant of the Third Tipperary brigade of the Irish republican army. LEGION WILL INSTALL FOUR NEW OFFICERS

The first regular meeting of the Elmer J. Boll post, American Legion, for the year 1922, will be held this evening at Elks' home for the installation of the officers elected at the last regular session held in December. The officers who will be inducted into office are: Post commander, C. R. Reilly; post vice-commander, M. Hayes Johnson; post adjutant, Lowell Daniels; post finances officer, Dan K. Cain.

The post this year expects a decided increase in membership owing to the reduction that has been made in its yearly dues, and to the fact that the success of suggestions of the Legion in its fight for adjusted compensation now being discussed in congress must necessarily depend upon the concerted action of all ex-service men and women, which can best be accomplished by their membership in the big ex-service organization.

There will also be a special meeting of the Women's Auxiliary of the post at Elks' home tonight at 8 o'clock.

KILL THEIR OWN DAUGHTER BY MISTAKE

(By Associated Press)
SOFIA, Jan. 13.—A strange tale of banditry resulting in the murder by mistake of a girl by her own father and mother is vouched for officially by the Bulgarian police.

Ivan, a peasant of Hrazdal, sold two calves for 10,000 leva and started home from the market with his daughter Milka. Fearing robbers, he gave the money to his daughter. The father was attacked on the road and killed by two men who saw him make the sale.

Milka fled and sought refuge in a peasant cottage where a woman and her daughter comforted her and gave her dinner. Later Milka was sent to bed with the woman's daughter.

When the husband returned he told his wife he had killed a man needlessly, as the money he sought had been carried off by the murdered man's daughter.

The woman to whom Milka told her story, repeated it to her husband and the two determined to kill the girl as she lay asleep to get the 10,000 leva.

Milka, in the daughter's room upstairs, overheard and occupied by a window. When police were brought by Milka they found the old couple had gone upstairs and killed their own daughter by mistake in the dark.
